KEY FEATURES

Twin Motor

Perfect for large and open kitchens, Sirius twin motor hoods boast powerful 2000M³/H extraction to efficiently remove steam, heat, smoke, and odours. With four speeds options for tailored ventilation.

25mm Stainless Steel Baffle Filters

Baffle filters feature interlocking baffles for effective grease removal, promoting smooth airflow. They're easy to maintain, offer superior filtration with a deep pleat design, and dishwasher safe.

Powerful Extraction

With a twin motor this rangehood's impressive maximum airflow of 2000M³/H, quickly and effectively removes smoke, steam, heat, odours, and other airborne particles from the kitchen.

Induction Safe

This rangehood boasts efficient filters and extraction capabilities to effectively manage increased steam and moisture levels resulting from minimal ambient heat compared to gas cooking methods.

2 x 7.5W Led Spotlights

This Sirius Rangehood takes it up a notch with two powerful spotlights that provide efficient illumination while cooking.

Hand Crafted in Italy

Sirius Rangehoods, a prestigious Italian brand founded in 1996, is renowned for its bold designs and commitment to premium materials and craftsmanship, making it a top choice for high-end rangehoods.
