KEY FEATURES

Triple Motor

For power and performance, Sirius triple motor hoods are the leader with 3060M3/H extraction efficiently removing steam, heat, smoke, and odours. Offering four powerful speeds for tailored ventilation.

25mm Stainless Steel Baffle Filters

Baffle filters feature interlocking baffles for effective grease removal, promoting smooth airflow. They're easy to maintain, offer superior filtration with a deep pleat design, and dishwasher safe.

Powerful Extraction

With a twin motor this rangehood's impressive maximum airflow of 3000M3/H, quickly and effectively removes smoke, steam, heat, odours, and other airborne particles from the kitchen.

Remote Control

This rangehood is equipped with a sophisticated, stylish remote control that offers users the convenience of adjusting fan speed, lighting and timer settings of the hood from a distance.

5 x Led Spotlights

This Sirius Rangehood takes it up a notch with five powerful spotlights that provide efficient illumination while cooking.

Marine Grade

A 316 grade stainless rangehood is particularly important for those who live within 5KMs of the coast, as the increased levels of salt in the air can lead to a dramatically increased rate of corrosion.

Hand Crafted in Italy

Sirius Rangehoods, a prestigious Italian brand founded in 1996, is renowned for its bold designs and commitment to premium materials and craftsmanship, making it a top choice for high-end rangehoods.
